Need Training in Working at Heights?

Access Unlimited is a Registered Training Organisation (Provider No: 51806) under the Australian Quality Training Framework and are pleased to offer the following course: **CPCCCM2010A Work Safely at Heights & CPCCOHS2001A Apply OHS requirements, policies and procedures in the construction industry.**

This 1 day course is designed for operators within the construction and general industry required to work safely on construction sites where the work activity involves working above 1.5 metres from ground level and where fall protection measures are required. The course is nationally recognised and delivered by experienced height safety specialists in plain everyday language. We can deliver on-site (subject to appropriate training facilities being available) or at our first class training facility located in MALAGA, Western Australia.

Topics Covered

Regulations and Legislation, Australian Standards, Risk Assessment and Control Measures, Fall Dynamics, Inspection Requirements, Selection and Use of Fall Protection PPE, Emergency Plan and Rescue Procedures.

Course Cost for One Day Course

Individual: \$300

Company Group: \$2100 for a group of 7 to 10 participants

Note: GST does not apply to nationally recognised training.

Course Logistics

Number of Participants: Minimum 4 - Maximum 10

Where: Malaga

Duration: 1 Day (up to 8 hours)

Equipment: Can be supplied by Access Unlimited

Meals: Lunch provided (only on our premises)

Successful completion of both the theoretical and practical exercises will lead to the issue of a Statement of Attainment in CPCCCM2010A Work Safely at Heights.

To make a booking please contact our Training Manager on **1800 607 558** or
