Need Training in Work in Confined Spaces?

Access Unlimited is a Registered Training Organisation (Provider No: 51806) under the Australian Quality Training Framework. Our one day confined space course includes the following units of competency: **RIIOHS202A Enter and work in confined spaces and MSAPMOHS217A Gas test atmospheres.**

This one day course is designed for personnel who are required to work in a confined space (enclosed or partially enclosed) for the purpose of carrying out work or inspections. It includes the minimum criteria for competency assessment. The course covers entry and exit procedures, assessment of associated risks and how to operate safely in a confined space and atmospheric monitoring. Work in confined spaces shall conform to relevant legislation and AS2865/2009, or its authorised update or replacement.

We can deliver on-site (subject to appropriate training facilities being available) or at our first class training facility located in Osborne Park, Western Australia.

Topics Covered

The course is designed to provide participants with the knowledge and skills necessary to safely work under supervision in a confined space, including the selection, use and maintenance of personal protective equipment, understand the permit system, know the limitations of the permit under which they are working, and comply with all the requirements of the permit. The areas covered on the course are to assess confined space for entry, use gas detection/safety equipment and clothing, control confined space entry and conclude confined space operations.

Course Cost for One Day Course

Individual: \$300

Company Group: \$2100 for a group of 7 to 10 participants

Note: GST does not apply to nationally recognised training.

Course Logistics

Number of Participants: Minimum 4 - Maximum 10

Duration: 1 Day (8 hrs)

Equipment: Can be supplied by Access Unlimited

Meals: Lunch provided (only on our premises)

Successful completion of both the theoretical and practical exercises will lead to the issue of a Statement of Attainment in RIIOHS202A Enter & work in confined spaces and MSAPMOHS217A Gas test atmospheres.
